

58% of all cars we value meet these criteria. "Average" condition means that the vehicle has some cosmetic repairable defects but is free of major mechanical problems. The paint and bodywork may require some minor touch-ups. The engine compartment may have some minor leaks. This vehicle has only minor cosmetic or no rust. The body may have minor scratches or dings and the interior has minor blemishes characteristic of normal wear. The tires match and have at least 50% of tread remaining. Though it may need some reconditioning, it has a clean title history and will pass safety and smog inspection. Most service records are available.
