DESCRIPTION

The Datamasters Gastroenterology mailing list allows you to reach health care professionals at their home address who specialize in the diagnosis, prevention, and treatment of digestive system disorders.

This mailing includes home address contact information for medical specialists such as doctors, physicians, nurses, therapists, counselors, and administrators who specialize in gastroenterology. These health care professionals treat diseases of the gastrointestinal tract such as heartburn, ulcers, irritable bowel syndrome, hemorrhoids, hepatitis C, pancreatitis, difficulty in swallowing, and colorectal cancer. These professionals work in hospitals, health care clinics, or private practice. They would purchase thermometers, blood pressure cuffs, needles, syringes, bandages, gauze, tongue depressors, dressings, face masks, blood collection tubes, hand sanitizers, ointments, urine specimen cups, stethoscopes, medical instruments, uniforms, catheters, masks, and gloves.

Purchasers of this mailing list would include hospital supply retailers and wholesalers, pharmaceuticals, imaging companies, supplement suppliers, medical apparel providers, pediatric supply providers, continuing education institutions, office supply providers, computer hardware and software suppliers, bandaging companies, medical periodicals, mobility aid providers, medical furniture providers, and x-ray equipment providers.
