DESCRIPTION

The Datamasters Medical Specialists mailing list allows you to reach health care professionals through direct mail at their home address.

This mailing list allows you to reach doctors, surgeons, speech therapists, pharmacists, nurses, dentists, counselors, physicians, hospital administrators, optometrists, physical therapists, and chiropractors at their home address for your direct marketing efforts.. These medical professionals would specialize in anesthesiology, cardiology, dermatology, endocrinology, family practice, gastroenterology, hematology, immunology, internal medicine, neurology, obstetrics, oncology, orthopedics, pathology, pediatrics, podiatry, pulmonology, radiology, geriatrics, neonatal care, and urology. They work in hospitals, private practice, urgent care centers, the armed forces, corporate settings, and emergency rooms. They would purchase thermometers, blood pressure cuffs, needles, syringes, bandages, gauze, x-ray machines, stethoscopes, surgical supplies, medical instruments, uniforms, catheters, masks, gloves, and office supplies.

Purchasers of this mailing list would include hospital supply retailers and wholesalers, pharmaceuticals, imaging companies, supplement suppliers, medical apparel providers, pediatric supply providers, continuing education institutions, office supply providers, computer hardware and software suppliers, bandaging companies, medical periodicals, mobility aid providers, medical furniture providers, x-ray equipment providers, credit card issuers, and health insurance providers.
