### DESCRIPTION

The DataMasters Optometrists mailing list allows you to reach these eye care specialists through direct mail marketing at their home address.

These healthcare professionals practice in the field of optometry and provide vision and eye care to children and adults alike. They are concerned with the health of the eyes and are trained to prescribe and fit consumers with glasses, contacts, and lens to improve vision. Optometrists can correct vision problems in individuals that are near-sighted, far-sighted, or suffer from astigmatism through laser surgery or fitting of lenses. They would purchase hand edgers, lens drills, groovers, pattern makers, buffers, lens meters, blockers, gauges, lens tinting, eye glass frames, optical screw drivers, and optical pliers.

Purchasers of the optometrists mailing list would include medical supply retailers and wholesalers, eye care accessory providers, glass case manufacturers, saline providers, lens manufacturers, contact lens manufacturers, medical apparel providers, continuing education providers, office supply providers, computer hardware and software suppliers, medical periodicals, medical furniture providers, and healthcare insurance providers.
